1 This is free and unencumbered software released into the public domain.
2
3 Anyone is free to copy, modify, publish, use, compile, sell, or
4 distribute this software, either in source code form or as a compiled
5 binary, for any purpose, commercial or non-commercial, and by any
6 means.
7
8 In jurisdictions that recognize copyright laws, the author or authors
9 of this software dedicate any and all copyright interest in the
10 software to the public domain. We make this dedication for the benefit
11 of the public at large and to the detriment of our heirs and
12 successors. We intend this dedication to be an overt act of
13 relinquishment in perpetuity of all present and future rights to this
14 software under copyright law.
